A Word from our Operations Director

Why we are special

Why work with us

Imara avocado factory is a pan-East African agricultural enterprise dedicated to the sustainable production of premium Hass and Fuerte avocados. With operations in Tanzania, Rwanda, and Uganda, our farms harness the rich soils, favorable altitudes, and ideal climates of the region to grow some of the best avocados on the continent.

Our Mission

To be a leading producer and exporter of world-class avocados from Africa—grown ethically, harvested sustainably, and delivered with integrity.

ABOUT US 

Member of the Export Processing Zones Authority (EPZA)

imara avocado factory operates within a highly efficient and globally competitive framework. EPZA support gives you access to tax incentives and streamlined logistics, allowing us to offer you competitive pricing.

We Source all over East Africa with our own Logistics

From sourcing across East Africa to delivering anywhere in the world, our in-house logistics system ensures speed, reliability, and world-class export performance.

ABOUT US

COMING SOON

We are expanding our avocado production lines to include cosmetics, pharmaceuticals, and industrial sectors, bringing innovation and quality to new markets.

Strict QC and lab testing

We follow strict quality control and laboratory testing procedures to ensure the highest standards of safety, consistency, and product integrity.
